**Wrinkles in Time**  
**Tay Bak Chiang Solo Exhibition**

**5th-21st June 2025**

Cube Gallery, 16 Crawford Street, London W1H 1BS

Cube Gallery is excited to announce Singaporean artist Tay Bak Chiang's second solo exhibition in London, 'Wrinkles in Time'. Here we embark upon a journey with the artist as he explores the ephemeral connections between the different relationships found in nature, such as the life of something quite fleeting like a bird, and the more permanent rock. Being restricted to the confinements of the city in Singapore, Bak Chiang finds refuge in the quiet pockets of nature as he delves deeper into his roots.

Bak Chiang combines traditional methods with a more modern, mixed-media approach, as he brings together the delicate lines of Chinese inks, coupled with larger, pigmented forms on rice paper. Through this technique, the artist can explore his heritage through the natural landscape of South-East Asia. With the flow and fluidity of each brushstroke we get a sense of something personal on the verge of spiritual.

## Biography

Born in 1973, Bak Chiang graduated from the Nanyang Academy of Fine Arts in Singapore in 1995 and studied at the China Academy of Art in Hangzhou, China, in 1997. He was awarded the First Prize in the Chinese Painting category in the 19th and 22nd United Overseas Bank Painting of the Year Competitions (2000 and 2003 respectively). In 2002 he received the Young Artist Award from the National Arts Council of Singapore.
